### GROOMING/DAY SPA TERMS AND CONDITIONS

1. The Barkley requires proof that each pet's Rabies vaccine is current. Also, The Barkley requires that each dog be vaccinated against all infectious conditions, however, it is still possible for vaccinated pets to become ill with an infectious condition despite being vaccinated. This is not due to any circumstance or condition in the Grooming Salon and you agree that you will not hold The Barkley liable in the event your pet becomes ill with an infectious condition during or after its appointment.
2. The Barkley is not responsible for allergic reactions resulting from the manufacturer-recommended usage of any products. Although a pet may experience an allergic reaction to grooming products at any time, flea and tick products are associated with a higher incidence of reactions. Please consult your veterinarian prior to having your pet treated if you have any questions concerning your pet's sensitivity to such treatments.
3. While The Barkley follows strict guidelines for the health and safety of our pets, you acknowledge and are aware that the employees of The Barkley are not veterinarians and do not have backgrounds in animal medicine and are not expected to diagnose or detect illnesses in the pets that are at The Barkley. The Barkley is not responsible for any pre-existing medical conditions or any other medical problem(s) that may become affected as a result of the grooming process.
4. Pets whose coats are matted or tangled are often times denied regular circulation and skin stimulation. This leads to unhealthy situations including irritated/discolored skin, sores, foul odors, and even organic matter like weeds embedded in the skin. The Barkley will use its' best efforts to minimize the effects of de-tangling and de-matting, however, please be advised, de-matting or coat removal on matted pets is a delicate and slow process which may present certain post-grooming risks including, but not limited to: itchy skin, discolored skin, burns, sores, and more. The Barkley shall not be held responsible for minor nicks or burns resulting from the grooming of matted, neglected coats or for irritation caused by coat removal.
5. The health of each pet is The Barkley's number one concern. If we feel the safety or well-being of your pet and/or a salon associate is in jeopardy, a muzzle may be used or services refused or discontinued. In case of emergency, you designate The Barkley as agent and understand that The Barkley will do whatever is deemed appropriate for the well-being of your pet while in our care. If your pet becomes sick or injured and requires professional attention, we will attempt to contact you. However, if we are unable to contact you, The Barkley, in its sole discretion may engage the services of a veterinarian and the expense shall be paid by you.
6. Any pet not picked up by scheduled closing time will be transferred to a boarding suite for an overnight stay in a leisure suite at the published nightly rate.

***I agree to the information contained herein, including but not limited to, the terms and conditions in this document.***
