The Barkley offers **DAY CAMP**, a "cage-free" supervised setting designed for dogs to be social with other dogs. Unlike most doggy day cares, Barkley campers roam free, up to 12 hours per day, both indoors and out. Breeds are separated by size and have continuous access to fresh water, play equipment, pools, and grass-like elimination areas. Guests choose their own playmates in our custom-designed 5,000 square foot state-of-the-art facility, which features high-tech air purification, climate control, and isolated air zones for maximum comfort, safety and disease control. All campers must pass a rigorous pre-screening evaluation to be accepted into the program and are supervised by the best staff in the business.
